Option 1 990 €

An international coverage

It entitles the beneficiary to re-funds all over the world, whatever the country where the medical care is given. The I.M.S covers 100%* of the invoice of the medical evacuation and then asks to the group the reimbursement of 20% of its participation.
(* Up to 5 tourist class seats)

Option 3 250 €

A waiting option

Option 3 is a waiting position for members who have health insurance in their country of residence but who are not covered when they travel to countries of Option 1.

Option 4 Fees by area

A local coverage

It entitles the beneficiary to re-funds of medical expenses in the country of residence. This option is only available in countries that are defined by the I.M.S.

Option 2 257 €*

A complementary cover to Option 4

Valid in countries of Option 1

For a duration of three months renewable once from the subscription date. The contribution for Option 4 is still due during that period.
